

**Assemblyman Carl Heastie, [518.455.3791](tel:518.455.3791)**

“Thank you for supporting increased funding for child care subsidies in the Assembly budget. Please stand firm in support of the \$7 million for child care subsidies, which will restore last year’s cut. In addition, with federal funding now available, I strongly support the Assembly’s proposal to provide at least \$31 million for child care subsidies, and an increase in provider payments to 75% of the market rate. New York parents, children and providers are counting on you!”

**Senator John J. Flanagan, [518.455.2071](tel:518.455.2071)**

**Senator Jeffrey D. Klein, [518.455.3595](tel:518.455.3595)**

“Thank you for including \$7 million for child care subsidies in the Senate budget, which will restore last year’s cut. Please stand firm in support of this investment. With new federal child care funds now coming to New York, I also ask you to join the Assembly in directing that at least \$31 million go to child care subsidies, and that additional funds be directed to raising provider payments to 75% of the market rate. New York parents, children and providers are counting on you!”
