

WNY WOMEN'S FOUNDATION
Strong Women. Stronger Community.

Will you step up for women like Kara?

Throughout the ups and downs of 2020, the WNY Women's Foundation continues to focus on solutions that support women in our community on a path to economic empowerment and leadership.

Women like Kara.

Kara is a working mother of two, who was thrust by the pandemic into a constant rush of Zoom meetings for her job and helping her children with remote school, while trying to fit in meals and laundry where she can.

When her employer told her she would have to return to the office earlier this autumn, Kara despaired. Her career was about to be derailed!

Thanks to the WNY Women's Foundation, Kara had solutions.

Kara's employer is an ALL IN partner. The WNY Women's Foundation provided her employer with our [ALL IN return-to-office recommendations specifically designed to support working mothers.](#)

Plus, the WNY Women's Foundation's advocacy helped direct **\$25 million of CARES Act funding for child care and virtual learning centers.**

Kara is now able to send her children to a virtual learning center, allowing her to return to the office and focus on her job during the day so she can provide for her family and enjoy spending time with her children in the evenings.

Now more than ever, supporting women in Western New York like Kara is essential.

Please join us this year and be part of the solution!
